The Honey Bee

(Me)

Busy, busy, buzzy bee.
I hope you're not too busy to talk to me.
Stop right now and buzz this way,
I really wanna know just how was your day?

(Honey bee)

Oh I saw a little bunny on my journey here.
I was buzzin' in the bush
When he said, "Come here,
Have you any runny honey
For my toast? You see,
There ain't no carrots for my tea."

(Me)

Busy, busy, buzzy bee.
I hope you're not too busy to talk to me.
Stop right now and buzz this way,
I really wanna know just how was your day?

(Honey bee)

I was feelin' kinda bad
'Cos the bunny was so sad.
You see he had no carrots for his tea.
So I emptied out the sack
That I have on my back.
I gave him runny honey for his tea.

(Me)

Busy, busy, buzzy bee.
I hope you're not too busy to talk to me.
Stop right now and buzz this way,
I really wanna know just how was your day?

I really wanna know,
I really wanna know,
How was your day?
