Tiger Tango

Oh yes we dance, the Tiger Tango.
We're in a trance, just hear us roar.
We look one way, we look the other.
We're cheek to cheek, and paw to paw.
Olé!

We love to dance, we love to move.
We love to spin, we love to groove.
Let all the rhythms move your feet,
And bring alive the dancing beat.
Olé!

I'm just a wallaby trying to waltz,
Keeping my feet on the ground.
One two three, one two three.
It's not that hard, but I'd rather
be bouncing around.
Boing!

We love to dance, we love to move.
We love to spin, we love to groove.
Let all the rhythms move your feet,
And bring alive the dancing beat.

I'm at the hedgehog hoedown,
Now watch out for my spines.
We gallop down the barnyard,
We try to keep in lines.
We do-si-do in danger,
With prickles on our back,
With a 'Hey down, hoe down,
Hey down, hoe down,
You'll soon get the knack! Yee-ha!'

We love to dance, we love to move.
We love to spin, we love to groove.
Let all the rhythms move your feet,
And bring alive the dancing beat.
