Triplets

A small 3 above or below a group of quavers tells you to play a **triplet**. This means you play three notes in the same time that it would normally take to play two.

Normally you divide a crotchet into two quavers.

For a triplet, the crotchet is divided into three.

Feeling the Rhythm

Step and clap this rhythm with track 14 on the CD. Make up your own action for “gesture”.

Actions:	Step	Clap	Step	Clap	Step	Clap	Step	Gesture
