

I need to tidy these instruments into groups according to how they're played. Can you help me sort out which ones are which? Once we've written them in the boxes below, we can rearrange the highlighted letters in each box to spell the name of another instrument in that group. Sounds easy, doesn't it?

snare drum trumpet
 triangle cello cor anglais
 violin oboe timpani
 marimba piccolo
 xylophone guitar
 double bass trombone
 wood block harp flute
 bassoon tuba castanets

BOW/PLUCK	HIT	BLOW
