

Singing BOOK 3 Sherlock

Val Whitlock & Shirley Court

Make Friends Around the World

Shake hands,
Shake hands,
Shake hands with friends from far-away lands;
Spread the smiles across the miles
And make a new friend today.

Chorus

Make friends around the world,
It's easy if you try.
Whatever the weather,
We live together beneath the same blue sky.

Sing loud,
Sing clear,
Sing loud, sing clear with friends far and near;
Share the fun with ev'ryone and
Sing with a friend today.

Chorus (twice)
