## The Noisy House

Who's that knocking on my front door?  
Ratatatat it goes once more.  
When I listen then I can see what a  
Noisy house this seems to be!

Someone's trodden on the cat.  
Miaow, miaow, miaow, well fancy that!  
Ratatatat it goes once more.  
When I listen then I can see  
What a noisy house this seems to be!

That's my sister in the bath.  
"Love ya baby" makes me laugh!  
Miaow, miaow, miaow, well fancy that!  
Ratatatat it goes once more.  
When I listen then I can see  
What a noisy house this seems to be!

There's my brother on the drums,  
"Boom tsh boom" my head is numb.  
"Love ya baby" makes me laugh!  
Miaow, miaow, miaow, well fancy that!  
Ratatatat it goes once more.  
When I listen then I can see  
What a noisy house this seems to be!

Now the clock is chiming eight,  
"Ding dong" it's getting late.  
"Boom tsh boom" my head is numb.  
"Love ya baby" makes me laugh!  
Miaow, miaow, miaow, well fancy that!  
Ratatatat it goes once more.  
When I listen then I can see  
What a noisy house this seems to be!

Mum is yelling loud and clear,  
"Time for bed" I think I hear.  
"Ding dong" it's getting late.  
"Boom tsh boom" my head is numb.  
"Love ya baby" makes me laugh!  
Miaow, miaow, miaow, well fancy that!  
Ratatatat it goes once more.  
When I listen then I can see  
What a noisy house this seems to be!
