## Listen to the River

### **Chorus**

Everybody listen to the river!  
Everybody listen to the sound it makes.  
Happy or sad, you'll be extremely glad to hear,  
The tale of the river.

### **Verse 1**

Salmon leaping to the sky.  
As they jump they shout 'O my,  
There's a world out here that I could love,  
But the river gives me life'.

### **Chorus**

### **Verse 2**

Boats are moving way up stream.  
People find they have a dream.  
There's a world out here that we should love,  
And the water in the river gives us life.  
And the water in the river gives us life.

### **Chorus**
