Surf, Surfin' on the Internet

Word sheet

Verse 1

Now I've got my modem and I'm feeling really fine.
(Surf, surfin' on the Internet)
I gotta get myself connected to a telephone line.
(Surf, surfin' on the Internet)
I'm gonna plug in my computer and get the
screen to glow.
My hard disk is spinning and I'm ready to go,
wo, wo,
Surf, surfin',
Surfin' on the Internet.

Verse 2

I'm gonna punch in the address and it's a
holiday.
(Surf, surfin' on the Internet)
And now I'm surfin' down the information
Super highway.
(Surf, surfin' on the Internet)
I'm gonna plug in my computer and get the
screen to glow.
My hard disk is spinning and I'm ready to go,
wo, wo,
Surf, surfin',
Surfin' on the Internet.

Chorus

(Voice 1) Ooh,
(Voice 2) Hey hey, surf surf-in'.
(Voice 1) Ooh ooh ooh ooh.
(Voice 2) Hey hey, surf-in' today.
(Voice 1) Ooh ooh ooh ooh,
(Voice 2) Hey hey, surf surf-in',
(Voice 1) Ooh ooh ooh ooh,
(Voice 2) Hey hey, surf-in' today.
(Both) Aah! Surfin' on the Internet.

I am in Australia or in the USA?
(Surf, surfin' on the Internet)
It's easy to go surfin' when you do it this way.
(Surf, surfin' on the Internet)
Zoom-in' round the world, but never travel sick,
And to get back home just give your mouse a
click, wo, wo,
Surf, surfin',
Surfin' on the Internet.

Repeat chorus 3 times

(Last time) The Internet. Yeah!
