

The Shop at Boosey.com launches new Musicals Finder

The new Musicals Finder allows searches on top musicals, through a list of hit songs, to 2500 publications and arrangements, across all publishers.

www.boosey.com/musicalsfinder

The Shop at Boosey.com is pleased to announce the launch of its new Musicals Finder. If you've ever had difficulty tracking down sheet music, albums and arrangements of songs from the shows, the new service will answer your needs. The Musicals Finder is housed on the boosey.com website and is linked to the online shop for easy and secure purchase.

For each of 50 top musicals a list of the hit songs is searchable, leading to all available publications for your chosen genre, whether individual songs from the shows, song albums, vocal scores, easy piano, instrumental or choral arrangements. Over 800 songs are listed, with over 2500 products from musicals on sale, sourced from all leading international publishers. An index is also available for each musical, showing songs and product groups.

Featured musicals include classics such as Rodgers & Hammerstein favourites *The Sound of Music*, *South Pacific* and *Oklahoma!*, Bernstein's *West Side Story*, *The Wizard of Oz* and *Guys and Dolls*. Broadway and West End evergreens include *42nd Street*, *Top Hat*, Sondheim's *Sweeney Todd*, *Cabaret*, *Chicago*, *Evita* and *Les Miserables*. Recent hit shows include *The Lion King*, *Billy Elliot*, *Wicked* and *Matilda*, together with musicals ever popular as school productions such as *Grease*, *Footloose*, and *Bugsy Malone*.
