

# *Singing Sherlock Book 2*

by Val Whitlock and Shirley Court

## *Shadow*

1. Something's right behind me  
Following me round  
Something dark and fuzzy  
Sticking to the ground

### **Chorus**

Don't look now, it's creeping and gliding  
Don't look now, it's slipping and sliding  
Let's turn round and catch it while it's hiding!  
What a funny shadow!

2. Running, jumping, hopping  
Like an acrobat  
Creeping round the garden  
Frightening the cat!

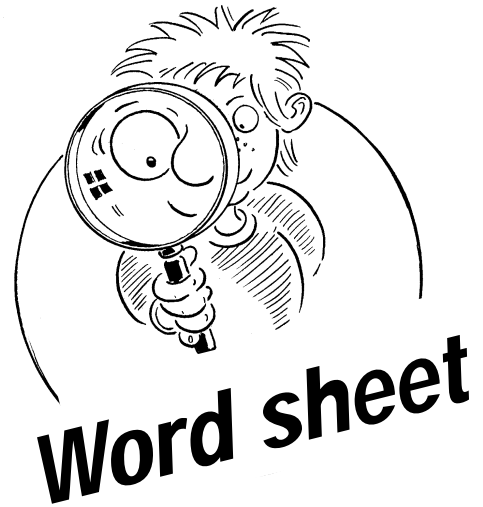

### **Chorus**

3. Sitting in the sunshine  
Playing in the sand  
Like a little echo  
Always close at hand

### **Chorus**

4. When I'm in my bedroom  
Gives me quite a scare  
Crouching in the corner  
Waiting on the stair

### **Chorus**
