Set the auto accompaniment to ON and use the single-figure chord method or the fingered chord method to play the left-hand chords. A comfortable tempo for the recorder players will be about ♩ = 140. Increase the standard "orchestral waltz" tempo to this setting then press the "sync start" button. Count six quavers out loud to help you all start together. The tune that is being played by the recorders is indicated by the small notes.

Style: ♩ = orchestral waltz
Voice: celesta + glockenspiel
